A Prayer for Receiving the COVID Vaccine

I have been praying for this day and now it is here!
With great excitement, a touch of trepidation
And with deep gratitude
I give thanks
To all the scientists who toiled day and night
So that I might receive this tiny vaccination
That will protect me and all souls around this world.
With the pandemic still raging
I am blessed to do my part to defeat it.
Let this be the beginning of a new day,
A new time of hope, of joy, of freedom
And most of all, of health.
I thank You, God, for blessing me with life
For sustaining my life
And for enabling me to reach
this awe-filled moment.
Amen

PRESIDENT'S MESSAGE

COVID: It now appears that the worst case scenario of the Covid-19 crisis will not take place. Effective actions, from detection, hospitalization, vaccinations, quarantines, and masking have had the effect of slowing the spread of the disease and is leading to the gradual reopening of society.

Know that we are recognizing what is going on and how it may affect us. We closed down fifteen months ago; now we are considering what to do next. We are identifying many important issues that we must consider before we make any decision. You can help us decide what to do by telling us what you would like to see done. CBI officers and board of directors value your ideas; make an effort to discuss your ideas individually with them.

THE PEW REPORTS: There is another report on the status of Judaism in the U.S. There are now two reports completed almost ten years apart.

The first report from ten years ago had Judaism in trouble. A typical response in Yiddish would have been "OYGEVALT," "woe is us!" and/or "what is happening?" The answer to what was happening was "not much that was good." Judaic practices were in decline, fewer people were joining and attending synagogure activities, and there was an overall decline in Jewish commitment and identification within certain age groups.

There is a new PEW Report that was published within the past few weeks. It is less pessimistic; it is more nuanced and reflects on the great diversity present within the Jewish community. Some of the developments taking place and believed to be so negative in the first report were reevaluated and found to be a lot less negative than previously reported.

Even this new report, while less negative and "oy gevaltish" than the first one, needs careful evaluation. Covid-19 and the pandemic has changed American life. All societal institutions have been affected, including religious institutions. As you so well know, our own practices here at CBI have been significantly affected. How these influences will affect the Jewish community will not be known for a few years. It will be interesting to see whether these influences will be good or not. Don't jump to conclusions too early. Change is taking place but we won't know for a few years what impact these changes will have.

ISRAEL, HAMAS, AND THE PALESTINIANS: It is good that there is a cease fire between Israel and Hamas. Fewer people will be killed, maimed or injured. Who "won" the war depends upon whom you talk to and the perspectives of their analysis.

We know that Israel is strong and scientifically advanced, yet it has severe political problems, magnified and complicated by existing religious, social, economic, ethnic and tribal relationships. Israel is also suffering by not having an effective government. Four elections in two years, and no majority party emerged. Furthermore, no one individual has been strong enough to create a large enough coalition to form a new government.

So Prime Minister Netanyahu has stayed on, though significantly weakened (that is true as of this writing; developments could change this at any time). Not until Israel has a new, effective government will it be able to address issues which can not be avoided

much longer. Expect to see a fifth election scheduled for the near future. The whole political situation is depressing. Divisions in government reflect the divisions in Israeli society, and vice versa. There will be no effective/efficient/successful government until the basic societal/political/religious splits are reconnected with each other.

HIGH HOLIDAYS: The holidays are early this year. Rosh Hashanah begins as Labor Day ends. The following week is Yom Kippur.

This year we have engaged two young women who will lead us in services. Emily Holtzman, a fourth year rabbinical student who for many years has been involved in Jewish education, will lead our services. Heather Seid, a cantorial student about to be ordained this coming year, will be our cantor. She also has many years of experience in religious education. Heather is married, with one child, and her husband is a rabbi.

Both Emily and Heather have attended our Zoom Shabbat services. They both liked the services and are excited to be leading us for the high holidays. While the content and technique of our services have yet to be determined, know that whatever we decide, you will be attending most interesting services.

MINYAN ON REQUEST: When we stopped having a regular daily minyan about five years ago, we started a new practice called "minyan on request." What we do is schedule a special afternoon/evening daily minyan service when requested, which allows a person observing a yahrtzeit to say kaddish for a loved one. I am most pleased to say that we have always succeeded in meeting a minyan on request. The congregation is notified via email when we are having such a zoom service. One is doing a special mitzvah when he/she is attending this special minyan.

JEWISH EDUCATION & ENTERTAINMENT: There has been a virtual explosion of Jewish themed programs on television and the electronic media. These programs are too numerous to identify, but they include public affairs, education, politics, the arts and entertainment. Most are free, but there are charges for some, or you must be subscribed to a subscription streaming service. We will at times notify you if there is a program of significance and/or importance that has been scheduled.

COMMUNICATIONS: We are making a great effort to communicate with our membership via email. Beth Katz (who is doing a great job as office manager) is responsible for almost everything that is mailed from the office (the office is located in her home for the time being). We recognize that too many notices become a distraction, but we go to great efforts to keep congregants informed of specific happenings. And to those who don't email, we make special efforts to reach them also. Please make note and calendar what you find interesting and desirous of attending. The range of programs is unbelievable.

DEATHS: We have suffered too many deaths in our member families during the past month. We send our condolences to the Hurand, Schafer, Winston and Wascha families. May each of their memories–of Josh Hurand, Nelson Schafer, Shirley Winston and Jim Wascha–be for a blessing.

Let us hope and pray for good health, peace and well being here at home, in Israel and the Middle East, and in the rest of the world. As it is written in our text, and as we recite "A Prayer for Peace" each Shabbat:

May we see the day when war and bloodshed cease,

when a great peace will embrace the whole world.

Then nation will not threaten nation,

and mankind will not again know war....

Let peace fill the earth as the waters fill the sea.

And let us say: Amen.

Take care. Stay well. Have a nice summer and I hope to see you at services or elsewhere.

B'Shalom,
Leonard Meizlish, President, *May 24, 2021*

News & Notes

MARCH 26, 2021

Dear Members of Congregation Beth Israel:

This morning there was a knock on the door, and I opened it to receive your lovely gift. The floral centerpiece brightened my day. It brightens the den in which I spend my daylight hours while recuperating from what appears to be successful back surgery. And it will hold a prominent place on the Ableser seder table, next to the Elijah's Cup brought by my mother's parents from the Old Country.

I hope that all of your seders this year will be filled with sweetness, meaning and love.

A zissen Pesach,

Rabbi Jeff and Judy Ableser

BETH ISRAEL Sisterhood

POM PRESIDENT-OF-THE-MONTH

Dear Sisterhood Members,

It's so exciting to finally see so many of us vaccinated to protect us from COVID virus! Soon we will be able to be back in our beautiful sanctuary spending Shabbat and special holidays sitting next to our CBI friends. It's been a long, very trying year and we are so ready to return to "normal." Soon that day will come, but in the meantime, we will be having our High Holidays on ZOOM. Rabbi Schochet and Cantor Lutman will not be doing services for us in 2021. The Religious Committee has selected two wonderful women to lead our services: Emily Holtzman will be our rabbi and Heather Seid will be our cantor (beautiful voice!!).

Last year we enjoyed very meaningful services with ZOOM for Rosh Hashanah and Yom Kippur services. One of the great advantages to online services is being with our distant friends across the country and sometimes around the world!! We enjoy seeing Rhonda Price and occasionally David, Marty and Scuffy, Mimi and Mike Goldstein, Gail Shulman, Lindy Voight Keiser every week for Shabbat and sometimes we have family friends visit: Hurand Family from Israel, Flamenbaum Family from Minnesota, Chimovitz Family from Portugal, Diane and Harvey Ring from Florida and NYC, and Steinman Family from Metro Detroit area…so much fun!

We are getting ready for High Holiday Services, Rosh Hashanah on September 6-8, Yom Kippur on September 15-16. If you would like a part in these services, English or Hebrew, please call or email Wendy Flamenbaum at 810-732-8224 or vichnah@gmail.com.

So sorry…once again, High Holiday Kiddush is on your own!! I have a great recipe for parve Apple Kugel if you'd like it. My email is dchimovitz@gmail.com.

Have a great summer! Enjoy the sunshine and the gorgeous flowers!!!

Sisterhood Mitzvah Project

As always, in conjunction with our annual Sisterhood Shabbat, we have panned a mitzvah project for the Women's Shelter of Flint. We were unable to hold our special shabbat in-person again this year, but at least we can still carry out our project! Following is a list of what we are collecting for the shelter. There are large boxes outside the office to collect our donations and they will remain there until further notice. We appreciate your participation!

- Deodorant • Body wash • Shampoo and conditioner (for all hair types) • Lotion
- Diapers – sizes 3 and up and pull-ups/training pants • Adult incontinence products
- Gift cards – $10 to $25 value to stores such as Walmart, Meijer or Forman Mills
- Bath towels and wash cloths (white preferred for laundry purposes)
- Twin sized bedding (white preferred for laundry purposes)
- PLEASE NOTE: Due to the generosity of our community, we no longer need smaller size diapers, baby wipes or feminine hygiene products.

MEMBERS WE HAVE LOST

As long as we live, they too will live; for they are now
a part of us; as we remember them.

Our deepest condolences go out to the families of . . . . .

Joshua Mark Hurand

April 15, 1973 ~ May 6, 2021

Beloved husband, father, friend, teacher, writer, gardener, advocate, connector, Tucson enthusiast, and grateful human, Joshua Mark Hurand, age 48, died peacefully at his home in Tucson, AZ on May 6, 2021 surrounded by loved ones. Born in Lansing, MI on April 15, 1973 to Gary and Carol Hurand, he was the first grandchild of both his paternal and maternal families. He graduated from Carman-Ainsworth High School in 1991, and earned a Bachelor of Arts degree in Education at The University of Michigan, a Master of Educational Psychology degree at The University of Arizona, and a Master of Social Work degree from Arizona State University. Josh worked as a middle school Spanish teacher and then a psychotherapist at the Southern Arizona Veterans Administration Healthcare System prior to fulfilling his dream of establishing a private therapy practice called Strategic Healing. Professionally and personally he positively impacted and helped hundreds of students, clients, friends and family.

Throughout his life, Josh had a dynamic presence and was often referred to as "the ultimate people connector." He embraced life and relationships with passion, commitment, enthusiasm, energy and love. He was an inspiration to those who knew and loved him, and he openly shared his love and gratitude even as he endured the pains of his terminal cancer diagnosis.

Josh embraced his Tucson community, and was proud of the life he established there. He served on numerous boards of agencies and organizations, most recently the boards of the University of Arizona Poetry Center Foundation and the Jewish Community Foundation of Southern Arizona.

He is survived by Ashley (McLaren), the love of his life whom he married on November 8, 2014. He is also survived by their beloved children, Noah Avram, age 5, and Eliza Barbara, age 3.

Also left to cherish his memory are his parents Gary and Carol; adored sister Sara (Elie Weiss), nephews Eitan and Jonah Weiss, grandmother Gloria Levine, father-in-law Mark McLaren, brother-in-law Jon McLaren and sister-in-law Kirsten McLaren; many loving aunts, uncles, cousins and friends. He was preceded in death by his beloved grandparents, Arthur and Bess Hurand, and Eugene Levine.

In lieu of flowers and food to the home, the family suggests a charitable donation in Josh's memory to The Hurand Connection Fund at the Jewish Community Foundation of Southern Arizona, The National Prostate Cancer Foundation, The University of Arizona Poetry Center, or a charitable organization of your choice.

A private graveside service was held at Machpelah Cemetery, Flint. An additional memorial service will be held later in Tucson, Arizona.

z'il May his memory be for a blessing.

Shirley Jean Winston

February 14, 1927 ~ April 4, 2021

Shirley Jean (Vliet) Winston of Grand Blanc passed away peacefully at home on April 4 surrounded by her loving family at the age of 94. Shirley was born on February 14, 1927, in Flint, Michigan. She was one of five children.

Shirley graduated from Bendle High School where she was a star donkey basketball player. After graduation she opened a small restaurant, the Bendle Bonnet, at the corner of Bristol Road and Saginaw Street. Sam Winston became a regular (and very special) customer at the restaurant. She and Sam were married on February 24, 1950.

Shirley loved her family. She was fun-loving with a great sense of humor, always making the best of every situation. She and Sam hosted annual summer pool parties for the Weinstein Cousins Club, which included Sam's seven siblings, their families and many, many cousins. She enjoyed bowling, golf, and later in life, wintering in Boca Raton, Florida.

Shirley was also a smart, strong, astute business woman, working side-by-side with Sam to build and operate Burton Auto Parts for over 50 years, eventually becoming the company's president. She gave generously of her time to Congregation Beth Israel, Beth Israel Sisterhood, Hadassah, B'nai B'rith Women and the Jewish War Veterans.

She leaves to cherish her memory: sons Michael (Vicki) and Dennis (Connie) and daughter Susan (James) Wascha; ten grandchildren; seventeen great-grandchildren; and her brother James Vliet. Her loving husband Sam preceeded her in death in 2011 after 61 years if marriage.

A private service and burial have taken place at Machpelah Cemetry, Flint. Those wishing to make contributions in Shirley's memory may do so through Congretation Beth Israel (www.cbiflint.org) or Temple Beth El (www.temple-bethelflint.org).

z'il May her memory be for a blessing.

James Joseph Wascha

May 23, 1946 ~ May 6, 2021

James Joseph Wascha of Grand Blanc passed away on May 6 at the age of 74. Jim graduated from Flint's St. Matthew's High School in 1964, and went on to attend the University of Michigan, graduating in 1968 with an undergraduate in Political Science. He was then accepted to Wayne State University's Law School, but shortly after was drafted into the United States Army. Jim made the best of his situation by taking advantage of the military's opportunities to travel to other countries. After being honorably discharged in 1970, he finished his graduate work at WSU Law School and began working for the Genesee County Office of the Prosecutor. After sampling many areas of the law he ended up in personal injury forming the James J Wascha PC law firm.

Jim was very active throughout his community and served on many law association boards. In addition he was a member of the board of trustees of McCree Theater, the SIRNA Methadone Clinic, and the Sloan Museum. He also served on the board of directors of HealthPlus of Michigan. After retirement, James was active in a pool league and made many new friends there. He spent his free time riding his Harley and planning motorcycle trips with his brother Tom. Jim had an extremely quick wit and made his wife and family laugh on a daily basis. His family was the most important thing in his life.

Jim is survived by his wife of 27 years, Susan; children, David (Beth) Wascha, Scott (Linda) Wascha, Stephanie Wascha (Steve Larson), David (Emily) Rittman, Ari (Maia) Rittman; grandchildren, Kaitlyn, Lily, Deacon, Clara, Archer and Dylan Rittman, Callum, Sophia and Ellie Wascha; siblings, Don Wascha, Delores Roat, Thomas (Joan) Wascha; brothers-in-law, Mike (Vicki) Winston, Dennis (Connie) Winston; and several nieces and nephews.

He is preceded in death by his parents; brother Robert; sisters-in-law Jerry Wascha and Cookie Wascha; and brothers-in-law Al Arnold and Gary Roat.

A private funeral service has been held. May his memory be for a blessing.

Dr. Nelson Schafer

February 16, 1934 ~ May 10, 2021

Dr. Nelson Schafer passed away on May 10. He was born February 16, 1934 in Flint, the son of Henry and Rae (Kleiner) Schafer. He was a graduate of the University of Michigan with a Bachelor's of Science degree and received his Doctor of Medicine degree from The Chicago Medical School. He was a surgeon at Hurley Medical Center in Flint for many decades. He was a lifelong member of Congregation Beth Israel. He also was a member of the Genesee County Medical Society and a Fellow of the American College of Surgeons.

z'il May his memory be for a blessing.

Our sincere condolences also go out to the family of . . .

Thomas H. Mott, age 78, of Burton, who passed away on March 26 following a lengthy illness. Tom was born on September 18, 1942 in Flint, the son of the late Neuman H. and Wanda E. (Stewart) Mott. He graduated from Flint Central High School and then attended Mott Community College and Ferris State College. He married Sherry Hoffman in May of 1965, and they were happily married for 27 years. Tom loved his horses, raising, riding, and racing them. He lived on their farm in Metamora for many years. He also loved playing cards, had a great heart, loved children and had a great sense of humor. He was an avid fan of University of Michigan sports teams. Tom is survived by his brother, Chuck (Patty) Mott of Arkansas; sister, Sue Shields of Burton; wife, Anita Davis; many nieces and nephews; and many great friends. Private graveside services were held at Flint Memorial Park. May his memory be for a blessing.

LIFE & LEGACY®

Assuring JEWISH TOMORROWS

A program of the HAROLD GRINSPOON FOUNDATION

"As my parents planted for me before I was born, so do I plant for those who will come after me."

–TALMUD

HOW WILL YOU ASSURE JEWISH TOMORROWS?

Congregation Beth Israel, Temple Beth El and Flint Jewish Federation are participating in the LIFE & LEGACY® program of the Harold Grinspoon Foundation (HGF). We are trying to elicit legacy gifts that will ensure a flourishing Jewish community into the future. Our goal is to obtain eighteen gifts, memorialized by Letters of Intent, for each partner. Each institution that secures eighteen gifts during the year will obtain a $5,000 bonus from HGF.

Leonard Meizlish is happy to share more information about LIFE & LEGACY with you at your convenience. Contact him at leonardmeizlish1@gmail.com or 810-733-8090.

Prayer in Place of Mourner's Kaddish

When a Minyan Cannot Gather (to be used in exigent circumstances only)

רִבּוֹנוֹ שֶׁל עוֹלָם,

אֱלֹהֵי הָרוּחוֹת לְכָל־בָּשָׂר

Ribbono shel olam,
elohei ha-ruḥot l'khol basar —

Master of the world, God of the spirit of all flesh, it is revealed and known before You that it is my fervent desire to praise Your name, and to remember and honor my beloved:

father/mother/son/daughter/husband/wife/partner/ brother/ sister/_____ {the name and relation of the person may be inserted}

by reciting the Mourner's Kaddish in the company of a Minyan. Though circumstances prevent me from doing so, may my yearning and prayers find favor in Your eyes, and be accepted and received before You as if I had prayed that Kaddish.

May you grant hope and healing to all who suffer, and may we soon be able to once again safely gather in holiness and joy.

May Your name Adonai, be elevated and sanctified everywhere on earth and may peace reign everywhere.

עֹשֶׂה שָׁלוֹם בִּמְרוֹמָיו

הוּא יַעֲשֶׂה שָׁלוֹם עָלֵינוּ

וְעַל כָּל־יִשְׂרָאֵל [וְעַל כָּל־

יוֹשְׁבֵי תֵבֵל], וְאִמְרוּ אָמֵן.

Oseh shalom bimromav
hu ya·aseh shalom aleinu
v'al kol yisrael [v'al kol
yosh'vei teiveil], v'imru amen.

In 1996, NASA astronaut Dr. Jeff Hoffman brought a small Torah scroll on board Space Shuttle Columbia. On Shabbat, while orbiting Earth, he read from the book of Genesis, "In the beginning God created heaven and the earth." This is a story about inspiration, communities, and a man's journey. A story of how family, educators, scientific and religious communities achieve great things and bring our identity to new realms.

Pray for the Well-Being of Jerusalem

USCJ Seek meaning together

In light of the deteriorating security situation in Israel, USCJ, along with other organizations of the Conservative/Masorti movement, has released the following statement:

"We are deeply disturbed as we see the rocket fire directed at Israel that has severely impacted civilian populations. The increased military capabilities of Hamas, based in Gaza, are particularly concerning and we recognize Israel's right to defend itself. We are also gravely troubled by the religious and nationalist-based violence that has erupted between Jews and Arabs in various locales across Israel.

We are pained by the violence, fear, and loss of innocent life in the region. We stand with our siblings in Israel, pray for the safety of Israeli security and rescue forces, for full healing for all who are injured, and offer comfort to the families of those who have died. We are mindful of our Masorti communities, our clergy, and our leaders impacted by these events and all who are providing so much support to those affected.

We call on our members to join with the public plea for true peace in Israel and joy for all its inhabitants. As we are taught in Psalm 122, 'Pray for the well-being of Jerusalem; May those who love you be at peace. May there be well-being within your ramparts, peace in your citadels.'"
